HALL RENTAL INFORMATION

The main hall

Our main hall can be beautifully decorated and features a large dance floor, and an alcove and dais for you head table, band, DJ or photo shoot. An ideal venue for weddings, birthdays, holiday parties, recitals and business functions. If catering is needed, you can use one of our approved caterers, or we can work with yours.

Business Functions

The hall is an ideal location for business meetings, educational programs, seminars and lectures. We can arrange chairs and tables to fit you needs. With ample parking, clean restrooms and bar service available, you can design your meeting to meet your needs.

Newly Remodeled Lounge

Our newly remodeled lounge is included when you rent the entire Hall, but it can also be rented separately for smaller parties up to 75 people. It is ideal for smaller bridal or baby showers, meetings, celebrations

of life or other functions where the whole hall is not needed.

Beautiful treed lawn for photos and picnics

Behind our hall is a hidden gem, a beautiful and large green area with lush oak trees that is ideal for outdoor events like a picnic. You can also use it for outdoor activities, photos, or even to get married and then have your reception right there under a tent or inside our hall.

Affordable and for a Worthy Cause

Our hall has very competitive rates. On top of that, we are a not-for-profit business. The hall rental income is used to support the hall and the activities of Our Lady of Victory Council, Knights of Columbus. Most of our workers are volunteers, and the money collected from rents helps foster the virtues of Unity, Charity, Fraternity and Patriotism, which are the four pillars of the Knights. For example, on Thanksgiving, the Hall will serve about 600 free meals, and deliver another 200 to shut-ins and the elderly as part of our feeding the hungry campaign.
